[📍 Abstract submission](#)

One of the world's leading gatherings on the future of science & technology.

Health, nutrition, synthetic biology, materials, energy, digitalization, artificial intelligence, machine learning, robotics, mobility, space flight, secrets of the human mind and new ways of working together.

Over the millennia science & technology have steadily advanced, but key unsolved challenges remain, and much more is possible. The Curious – Future Insight™ Conference brings together some of the world's brightest scientists and most accomplished innovators to present their work and explore the future of science and technology, solving the challenges of today and enabling the dreams of a better tomorrow.

Abstract Submission

Elevate your research, ignite dynamic discussions, and enrich the Curious2024 – Future Insight™ conference with your innovative ideas and compelling content.

Here's how you can participate:

1. Click the link to "Submit Abstract."
2. Share your concise abstract detailing your research or ideas.
3. Our expert panel at Curious2024 – Future Insight™, in collaboration with our esteemed partners, will meticulously evaluate all submissions.
4. Selected contributors will receive complimentary access to the conference.

The presentation format, whether an ignite short talk, a poster session, or a start-up fair booth, will be thoughtfully determined by the Curious2024 – Future Insight™ team, depending on the nature and depth of the content you submit. Join us in shaping the future at Curious2024 – Future Insight™ and be a catalyst for thought-provoking discussions and groundbreaking insights.

Submission deadline 31. March 2024
