DMEA - Connecting Digital Health: See You in April 2025

DMEA is one of Europe's most important events for digital health. **From April 8 to 10, 2025**, experts from the digital health industry will meet in Berlin. In addition to a comprehensive market overview, DMEA offers all players a wide range of opportunities for intensive exchange, targeted networking and effective customer acquisition.

Our Program - 3 Days of Digital Health Inspiration

What moves health IT today and tomorrow? DMEA 2025 provides answers to this question with its extensive program of lectures, discussions and workshops. Experts from politics, science and practice awaited visitors on various stages and hubs.
