## Explore MEDigIT and see how you can make a difference in digital health

MEDigIT is a global business partnering convention dedicated to digital health innovations. It offers a unique platform to explore the forefront of technological advancements that are reshaping the landscape of healthcare. With a focus on cutting-edge solutions, transformative ideas, and game-changing collaborations, it aims to inspire, connect, and empower the digital

health ecosystem.

MEDigIT will take place as part of MedFIT, the event dedicated to partnership innovation in the MedTech and Diagnostic sectors and organised together with BioFIT, their equivalent in the Life Sciences sector.

MEDigIT is:

- a tool to accelerate and increase the scale of fundraising by digital health players
- the ideal opportunity to assess and examine regulatory and market access challenges in the digital health sector
- a means of accelerating R&D and innovation partnerships for start-ups and SMEs
- a way for big players in the field to source innovations to in-license, start-ups and SMEs to acquire
